From the Principal

I hope you are enjoying the weather and invite your family to come out and support our soccer, softball, and baseball teams this weekend. Games begin at 10:00 and concessions will be available for food and spirit wear. There are lots of upcoming activities this spring, so please check the Dragon Tales, the message board in front of the school, and the school website to learn more about exciting events. The third quarter ends on April 5th, so please check your student's Grade Speed account and contact teachers if you have any concerns. I sent an email to all parents yesterday asking for your feedback on the 1:1 pilot. I look forward to reviewing your feedback (see the below survey link) and using it to help guide the implementation of 1:1 computing at AMHS.

School Registration for School Year 2012/13

If your student(s) will not be attending Alconbury Middle High School next year, please email or call Mrs. Cloum to inform her. If they will be attending – the scheduled registration date is **Friday, April 20th** from 0800-1500hrs in the small gym. Please bring updated immunization records, any extension paperwork, tuition billing letters for school year 2012/13, new CAC cards (for contractors), and/or updated emergency contact information. . If you have any questions, please contact Mrs. Cloum. It is a DoDDS requirement that all students register every school year. If you are unable to make the registration date, please contact Mrs. Cloum for other arrangements.

If you are leaving before the end of the year, please read****

The earliest date for acceleration with a final grade is May 17th. Students must be in school all day on May 16th. This provision is not to be extended for the convenience of the family, visits or other discretionary reasons. It is for PCS only. Please contact Mrs. Cloum for acceleration procedures. Forms must be completed 30 days prior to the student's last day of school.

Boys Soccer
The Dragons Boys' Soccer Team kicked off their season this past Saturday with a game @ Menwith Hill. The Dragons jumped out early when Jeff Black scored 1:30 in to the game. Jeff then netted his second goal 8 minutes later to give the Dragons a 2-0 lead. The Mustangs fought hard and played some really good soccer in the second half and put the pressure on the Dragons. Final score: Dragons 2 Menwith Hill 1. The team also played a controlled scrimmage Tuesday night against DI Lakenheath. Jeff Black scored 2 more goals and Ryan Mantell added another as the Dragons beat the Lancers 3-1. The entire team raised their level of play and everyone contributed greatly to the match. Next up is a match against DII Bitburg this Saturday @ 10:00.

Girls Soccer
The girls' soccer team kicked off their season along with the boys against Menwith Hill this weekend. The girls played a tough game against the Mustangs that have traditionally been an aggressive team. The girls held their own during the game showing their true fighting spirit during the second half. Our keeper, Kayla Gray, was the MVP with a total of 22 saves in goal. Despite their valiant efforts, the Mustangs managed to score 3 goals. Nevertheless, the girls will surge forward and are looking forward to their home game against Bitburg this weekend. Good Luck Dragons!

AFN – High School Sports Viewing/Download
AFN Europe is dedicating a weekend to DoDDs High School athletes, airing the DoDDs High School Wrestling and Cheerleading championships on March 31, and the DoDDs High School Basketball championships April 1 on the Pentagon Channel. See the AFN schedule for times. Also, available from the AFN website, is the download for each competition.

CHILD FIND is a DoDDS program that actively seeks to locate and identify children and youth, ages: birth through 21 years of age, who may have developmental delays or educational disabilities and may need special education and related services. Child Find activities, when conducted in the school, may include teacher observations, parent observations, and conferences to discuss your child's strengths and needs. These activities may lead to a formal process designed to further explore ways to assist your child. This process may ultimately result in a recommendation for your child to receive special education services. If you have a concern about your child, please contact Mrs. Black at 268-3335 and she can provide you with information about Child Find.
