### **From the Principal**

I would like to thank all of the parents and students for not missing school during TerraNova testing! I also want to thank the parents that sponsored breakfast for the seniors each morning this week. Thank you to the community for coming out and supporting both performances by our drama club and music concert. Our students were amazing and I'm extremely proud of the hard work they put into these performances! Congratulations to all of the winter sports and thank you to everyone that participated in the awards ceremony last night. Soccer will play their first match of the year, tomorrow at Menwith Hill and will host Lakenheath on Tuesday at 4:30. Our soccer, softball, and baseball teams will all host games on Saturday, March 24<sup>th</sup>.

As you've probably noticed, we've had lots of facility work going on around campus and I want to thank the base for their support!

**CHILD FIND** is a DoDDS program that actively seeks to locate and identify children and youth, ages: birth through 21 years of age, who may have developmental delays or educational disabilities and may need special education and related services. Child Find activities, when conducted in the school, may include teacher observations, parent observations, and conferences to discuss your child's strengths and needs. These activities may lead to a formal process designed to further explore ways to assist your child. This process may ultimately result in a recommendation for your child to receive special education services. If you have a concern about your child, please contact Mrs. Black at 268-3335 and she can provide you with information about Child Find.
