From the Principal

I would like to thank everyone for supporting the activities this week. Our Honors English & History students had the opportunity to present the hard work they've put into the year-long projects this week. We also hosted a fabulous music concert on Tuesday night. Last night, we had our annual Advanced Placement (AP) Night for students and parents to share information about upcoming courses. Our students will have the opportunity to participate in the America's Kids Run later this afternoon. Tomorrow we have our middle school formal and look forward to seeing our students dressed up and having fun. In addition to the numerous activities, our AP students have been completing exams. I would like to wish our spring sports teams success in next week's Europeans! Our students will be in Germany competing in softball, baseball, soccer, and track & field next week.

As you know, there is a lot going on over the next few weeks but please speak with your student about the necessity of finishing the year strong. We appreciate your help to review your student's progress and help them complete the remaining assignments. Please feel free to contact teachers directly to discuss your student's progress.

Spring Academic Awards Ceremony

Our Spring Awards Ceremony will be held on Wednesday, June 6, at 1:30 PM. In order to recognize academic achievements in the 4th quarter, we will cut off grades for the purposes of this ceremony on May 25. Please note that this deadline is for the awards only. Students will continue to be assigned work and receive grades through the end of the school year. We hope you will join us in June for this special event to recognize our students!

Students of the Month

Congratulations to April Cavin and Tyler Rocha, who were selected as the May Students of the Month. Students of the Month from March, April, and May will attend a special lunch with Dr. White and Dr. Whitaker on May 31.

Laptop Computer Turn-In

Students will be turning in 1:1 laptop computers on Wednesday, May 30, during seminar. At that time, all items issued with the laptop, including the neoprene sleeve, both power supplies, and both batteries will be collected. Any information students may have stored on their computer should be backed up to a personal storage source.

Name Tag orders

Dragon Name Tag orders are due by the 29th of May. Please see the attached order form for details or contact Valerie.pisierra@eu.dodea.edu if you have questions.

Boys' Soccer

The Boys' Soccer team finished off a very successful regular season this past weekend by beating D1 Lakenheath 3-0. Tyler Grissett, Jeff Black and Ryan Mantell each scored a goal for the Dragons and Jeff and Ryan also each picked up an assist. Zach Nelson made some key saves to help secure the shutout. The entire team played extremely well and contributed to the win. The Dragons finished Region 1 play with 5 wins, 1 loss and 1 tie. Next up will be the DIII European Championships next week.

Girls' Soccer

The girls' soccer team played Division I Lakenheath Saturday in their last game of the regular season. They held off the Lancers for most of the first half and rallied in the second half. Kayla Gray once again did an amazing job in goal. They head off to Europeans next week where all the hard work from this year is sure to pay off.

Softball

The softball team played 2 excellent games against SHAPE on Friday, splitting the wins. They brought their bats and dominated the competition. Marrison Cole had a near perfect birthday game by pitching a 6 hitter. Offensively, she batted 5-6 for the day. Other notable players were Riley Sorensen who bashed out 5 hits, Emily Luong who clubbed 4 hits, Caitlin Cash who had gotten 6 hits, and Ashley Steele who was able to get 5 hits and a double. Alconbury's softball team's hits did not end there. Mia Carrasco, Stephanie Buan, Jemma Matthews, Sarah Hubert, and Courtney Dowell all had at least one hit as well. Congratulations to the Lady Dragon softball team on their successes. This week we play Lakenheath.
